Correction to: *Nature Communications* <https://doi.org/10.1038/s41467-019-10812-x>, Article published online 15 July 2019.

In the original version of this Article, an author was missing from the author list. Winfried F. Pickl should have been included between Anna Schrempf and Joanna I. Loizou. The author has been added to the list. The author affiliation to the Institute of Immunology, Center for Pathophysiology, Infectiology and Immunology, Medical University of Vienna has been added and the contribution section has been amended to include that this author performed and analysed experiments.
