

Appendix 3

Table 1. Protoapennine and Apennine motifs attested in pottery from Apulia. After Cocchi Genick et al 1993 (shortened as 1993); Macchiarola 1987 (shortened as 1987) and Scarano 2006 with some update, see data in the Appendix 2). Protoapennine motifs are highlighted in red. Motifs attested both in Protoapennine and Apennine times are instead in yellow while all the others are dated uniquely to the Apennine (see text). Motifs abbreviated with R are from Roca and have been published in a recent survey by Scarano (2006).

Moti
