

Understanding excess child and adolescent mortality in the United Kingdom compared with the EU15+ countries

Supplementary Material 3 part C (Chapter 9)

Table 1: All-cause mortality rate per 100,000 population and number of deaths in 10-24 by sex 1950 - 2019: Global.....	8
Table 2: All-cause mortality rate per 100,000 population and number of deaths in 10-24 by sex 1950 - 2019: Southeast Asia, East Asia, and Oceania.....	9
Table 3: All-cause mortality rate per 100,000 population and number of deaths in 10-24 by sex 1950 - 2019: East Asia.....	10
Table 4: All-cause mortality rate per 100,000 population and number of deaths in 10-24 by sex 1950 - 2019: China.....	11
Table 5: All-cause mortality rate per 100,000 population and number of deaths in 10-24 by sex 1950 - 2019: Democratic People's Republic of Korea.....	12
Table 6: All-cause mortality rate per 100,000 population and number of deaths in 10-24 by sex 1950 - 2019: Taiwan (Province of China).....	13
Table 7: All-cause mortality rate per 100,000 population and number of deaths in 10-24 by sex 1950 - 2019: Southeast Asia.....	14
Table 8: All-cause mortality rate per 100,000 population and number of deaths in 10-24 by sex 1950 - 2019: Cambodia.....	15
Table 9: All-cause mortality rate per 100,000 population and number of deaths in 10-24 by sex 1950 - 2019: Indonesia.....	16
Table 10: All-cause mortality rate per 100,000 population and number of deaths in 10-24 by sex 1950 - 2019: Lao People's Democratic Republic.....	17
Table 11: All-cause mortality rate per 100,000 population and number of deaths in 10-24 by sex 1950 - 2019: Malaysia.....	18
Table 12: All-cause mortality rate per 100,000 population and number of deaths in 10-24 by sex 1950 - 2019: Maldives.....	19
Table 13: All-cause mortality rate per 100,000 population and number of deaths in 10-24 by sex 1950 - 2019: Myanmar.....	20
Table 14: All-cause mortality rate per 100,000 population and number of deaths in 10-24 by sex 1950 - 2019: Philippines.....	21
Table 15: All-cause mortality rate per 100,000 population and number of deaths in 10-24 by sex 1950 - 2019: Sri Lanka.....	22
Table 16: All-cause mortality rate per 100,000 population and number of deaths in 10-24 by sex 1950 - 2019: Thailand.....	23
Table 17: All-cause mortality rate per 100,000 population and number of deaths in 10-24 by sex 1950 - 2019: Timor-Leste.....	24
Table 18: All-cause mortality rate per 100,000 population and number of deaths in 10-24 by sex 1950 - 2019: Viet Nam.....	25
Table 19: All-cause mortality rate per 100,000 population and number of deaths in 10-24 by sex 1950 - 2019: Oceania.....	26
Table 20: All-cause mortality rate per 100,000 population and number of deaths in 10-24 by sex 1950 - 2019: Fiji.....	27
Table 21: All-cause mortality rate per 100,000 population and number of deaths in 10-24 by sex 1950 - 2019: Kiribati.....	28
Table 22: All-cause mortality rate per 100,000 population and number of deaths in 10-24 by sex 1950 - 2019: Marshall Islands.....	29
Table 23: All-cause mortality rate per 100,000 population and number of deaths in 10-24 by sex 1950 - 2019: Micronesia (Federated States of).....	30
Table 24: All-cause mortality rate per 100,000 population and number of deaths in 10-24 by sex 1950 - 2019: Papua New Guinea.....	31
Table 25: All-cause mortality rate per 100,000 population and number of deaths in 10-24 by sex 1950 - 2019: Samoa.....	32
Table 26: All-cause mortality rate per 100,000 population and number of deaths in 10-24 by sex 1950 - 2019: Solomon Islands.....	33
Table 27: All-cause mortality rate per 100,000 population and number of deaths in 10-24 by sex 1950 - 2019: Tonga.....	34

Table 28: All-cause mortality rate per 100,000 population and number of deaths in 10-24 by sex 1950 - 2019: Vanuatu	35
Table 29: All-cause mortality rate per 100,000 population and number of deaths in 10-24 by sex 1950 - 2019: Central Europe, Eastern Europe, and Central Asia	36
Table 30: All-cause mortality rate per 100,000 population and number of deaths in 10-24 by sex 1950 - 2019: Central Asia.....	37
Table 31: All-cause mortality rate per 100,000 population and number of deaths in 10-24 by sex 1950 - 2019: Armenia	38
Table 32: All-cause mortality rate per 100,000 population and number of deaths in 10-24 by sex 1950 - 2019: Azerbaijan	39
Table 33: All-cause mortality rate per 100,000 population and number of deaths in 10-24 by sex 1950 - 2019: Georgia	40
Table 34: All-cause mortality rate per 100,000 population and number of deaths in 10-24 by sex 1950 - 2019: Kazakhstan	41
Table 35: All-cause mortality rate per 100,000 population and number of deaths in 10-24 by sex 1950 - 2019: Kyrgyzstan.....	42
Table 36: All-cause mortality rate per 100,000 population and number of deaths in 10-24 by sex 1950 - 2019: Mongolia	43
Table 37: All-cause mortality rate per 100,000 population and number of deaths in 10-24 by sex 1950 - 2019: Tajikistan.....	44
Table 38: All-cause mortality rate per 100,000 population and number of deaths in 10-24 by sex 1950 - 2019: Turkmenistan.....	45
Table 39: All-cause mortality rate per 100,000 population and number of deaths in 10-24 by sex 1950 - 2019: Uzbekistan	46
Table 40: All-cause mortality rate per 100,000 population and number of deaths in 10-24 by sex 1950 - 2019: Central Europe.....	47
